

DESCRIPTION

The **Murphco support clamp** is an assembly made entirely of stainless steel and conceived for all sleeved roof drains.

The **Murphco Support Clamp** is compatible with all types of **Murphco*** copper drains being inserted and tightened around the sleeve of the drain under the deck.

The **Support Clamp** is distinctive by its unique and complete anti-vandalism design, the whole exclusively made of stainless steel. It is recommended for all types of roofs (industrial, commercial and institutional).

TECHNICAL DESCRIPTION OF FINISHED PRODUCT

Color	: Grey metal
Adjustable bars	:Stainless Steel thickness : (1.9mm, 0.075") With 2 standard orifices each of (0.75mm, 0.029")
Support screw	: Stainless Steel, 2 screws (1/4", 5mm) of diameter and (3.149", 80mm) of length
Hold nut	: Stainless Steel, 2 octogonal form nut (0.3937", 10mm) of interior diameter and (0.1968", 5mm) of width.

INSTALLATION

Generality:

The **Murphco Support Clamp** is installed on all new or existing drains. It is tightened with 2 screws and bolts around the sleeve of the drain just under the deck and prevents the movement by tightening the drain sleeve between the adjustable clamp and the drain flange.

INSTALLATION

The *Murphco Support Clamp* is tightened around the *Murphco* drain sleeve. The whole becomes anti-vandalism assembly made of copper and stainless steel.

Conceived for all types of flat roofs, the Support Clamp is easily adjusted to the diameter of the drain sleeve and the deck thickness.

(see detail, page 4)

*Murphco Ultra** copper drain with *Support Clamp*

CHARACTERISTICS

- Adjusted to all the *Murphco* sleeved roof drains;
- The *Support Clamp* firmly retains the drain in a stable position;
- All the materials are made of Stainless Steel, insuring a remarkable life expectancy;
- No mechanical anchor that could perforate the membrane or the sleeve;

FEATURES

- Unique and complete anti-vandalism design;
- Compatible with all *Murphco* roof drains;
- Adjustable to all diameters of drain sleeves;
- Durability, quality and industrial grade;

WARRANTY

- Guaranteed against corrosion;
- Guaranteed against fabrication defects;
